F1 RACING ANALYTICS

REFERENCES, GLOSSARY AND TECHNICAL APPENDIX

Project	F1 Racing Analytics — Race Data, Visualized
Source basis	Supplied f1_racing_analytics.html and its embedded Tableau references
Document status	Completed project-specific documentation based on available source evidence

Document basis and evidence boundary

This document is populated from the supplied F1 Racing Analytics index.html. It uses the project's own wording and published KPI values. Where the HTML does not expose underlying data, formulas, workbook details or test results, that limitation is stated explicitly instead of inventing project facts.

Primary project artifact

Source reviewed: f1_racing_analytics.html, supplied by the project owner. The page title, project description, KPI values, dashboard/story identifiers, UI structure and embed code in this document are derived from that artifact.

Published dashboard reference
